

Bark 100232-0002

Bark is a coarse and heavy upholstery fabric with an exclusive flair of the seventies. Bark is basically a grid pattern with a beautifully uneven colour variation. The plush fabric brings a feeling of warmth and coziness. The wool content provides a natural flame retardant- and stain repellent property. Bark comes in seven versatile colourways.

We thought you'd like...

- the beautiful colour variations
- the fibre content of 100% wool makes it stain repellent
- the warm, luxurious feeling
