

26 colours

The interplay between Spirit and Hard Twist, and the option to use two colours, means that Candy projects a muffled, hazy surface which blends to form an irregular colour surface. Candy offers rich, luxurious depth of fibre combined with the purity of wool.

We thought you'd like...

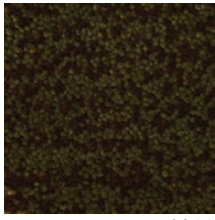

- the variety of subtle and rich melange expression.
- the Action-backing with integrated anti-slippage effect.
- the high quality of the two combined wool yarns.
