

The Weave pattern is the result of a collaboration with Tengbom Architects. The graphic and elegant design is created by a mix of cut and loop which bring a dynamic expression of the lines and the surface. The combination of one- or two- coloured designs from the Spirit wool yarn makes it possible to create thousands of colour combinations. The pattern is also available as curtain to provide a full concept.

We thought you'd like...

- the 16 standard choices and 140 options in colours
- the high quality of the Spirit wool
- the graphic and elegant pattern

creative rug Weave 101615/101617
