

Doppio 100157

*Doppio is a smart versatile hanging textile created by Almedahls Design Studio. The two tone fabric is reversible with one colour on the front and another matching colour on reverse side. This creates an intriguing, shifting expression depending on the light conditions. The weave texture is slightly uneven reminding of a natural linen fabric while providing transparency and a delicate filtering of the light. The flexible colour palette offers a mix of strong, happy tints and soft calm neutrals easy to adapt in any space.*
