

Tarkan 100219-0568

*Tartan is a classic felted wool for upholstery. The pattern is as a traditional tartan check with a modern twist. The checks have a slight gradient which makes the pattern softer in character. This at the same time bold and soft design is well suited for both contemporary and classic settings. The wool makes the fabric naturally flame resistant and stain repellent.*

**We thought you'd like...**

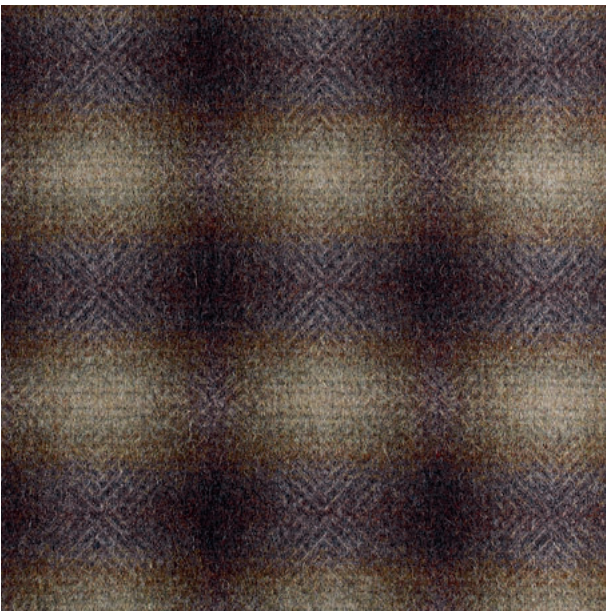

- the classic tartan check with an updated look
- the soft and warm expression
- the wool content makes the fabric both flame retardant and stain resistant
