

Uni 100132 (300 cm width)

almedahls

Uni 100132 (300 cm width)

Uni has a smooth and even surface with a subtle, shiny lustre. The fabric has a soft and heavy drape. The width of the fabric offers the possibility of using it railroaded to create seamless hanging in large windows. Apart from the excellent dimout function, the fabric also has good sound absorption properties, classified as sound class C. Uni comes in a useful selection of versatile neutrals, along with two additional colours: a dark blue and a classic red.

The fabric's smooth surface, heavy drape, excellent sound absorption properties, and its 3 m width, which is perfect for seamless hanging in large windows, make Uni a versatile and functional choice for various interiors.

PRODUCT INFORMATION

Design and Material

Design: Studio Almedahls
Material: 100% Polyester FR
Width: 300 cm (118 inch)
Weight: 260 g/m² (7,7 oz/yd²)
Number of colors: 9

Pattern Features

Repeat: -
Turnable design: yes

Light Properties

Openness factor: Dimout
Solar value average: Rs + As = 100
Light transmission: Dimout

PERFORMANCE

Color Fastness

Light fastness: 5-6
(ISO 105-B02, scale 1-8)
Color fastness to laundering: 4-5
(ISO 105-C06, scale 1-5)

Acoustics

Sound class: C
SS-EN ISO 354
Alpha value: 0,65
