

Vilano100218-5041

Vilano is a wool felt with extraordinary features. As upholstery Vilano stands more than 100000 Martindale and used as folded drapery it has sound class A. This ensures excellent sound absorption especially in high frequency areas. The solid colour surface has a warm expression adding a sense of softness to the surroundings. Vilano has a rich and versatile colour palette. The mix of muted tones and lively saturated hues makes it easy to find just the right nuance for any project.

We thought you'd like...

- the excellent abrasion value
- the choice of 51 colours
