

Weave 100706-0852

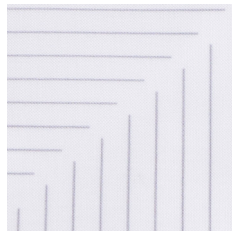

***Weave** is a hanging textile part of the **Lines of Illusion** concept created by leading architects. **Weave** is inspired by traditional artisan techniques which are translated and distorted into a contemporary and modern design language. The pattern becomes multi-layered and can be interpreted differently depending on the choice of line- and textile-colour.*

**We thought you'd like...**

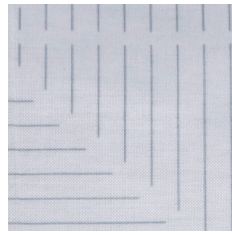

- the carefully co-ordinated Lines of Illusion concept including the patterns **Weave**, **Shift** and **Droplet**
- the subtle design expression and graphic simplicity of the design
- that the transparent fabric softly filters the light and can be used to create a definition of space
- the versatility of a 315 cm wide fabric
