

CURVE MELANGE 101730

almedahls

CURVE MELANGE 101730

CURVE MELANGE builds on the essence of CURVE by introducing flax fibre and combining three colours in each rug. With a low pile height of 8 mm, the primary fibre remains New Zealand wool Spirit. The addition of flax creates a slightly more rustic surface and tactile feel. This unique fibre blend produces a vibrant visual texture that draws the eye while seamlessly complementing the overall aesthetic of the room.
