GRAIN 100710 / 100711 / 100712

GRAIN is a sibling of PLAIN. Both GRAIN and PLAIN are uni-colour rugs with a surprisingly wide range of expressions. The fibre base of GRAIN features Hardtwist wool, available in 70 shades. GRAIN comes in both loop and cut pile, with pile heights of 10, 14, and 25 mm. Its durable construction makes it a truly versatile rug, suitable for any space, including high-traffic areas, depending on the chosen pile height and technique.
