UNI 100204 (150cm width)

UNI has a smooth and even surface with a subtle, shiny lustre. The fabric has a soft and heavy drape. Apart from the excellent dim-out function, the fabric also has good sound absorption properties, classified as sound class C. UNI comes in a useful selection of neutrals and a wide range of lively colours, from lighter tones to deep and saturated shades.

The fabric's smooth surface, heavy drape, excellent sound absorption properties, and its wide and versatile colour range make UNI a perfect choice for various settings and moods.
