PLAIN is a sibling of Grain. Both PLAIN and Grain are uni-colour rugs with a surprising number of expressions. The character of Plain is shaped by wool Spirit in 140 standard colours. Three pile heights (10, 12, and 14 mm) provide numerous opportunities to place Plain in spaces with both frequent and moderate traffic. The loop technique allows light to reflect more effectively, as the sides of the yarn are visible, resulting in a brighter appearance compared to cut pile. Cut pile, on the other hand, showcases deeper colours due to the way light interacts with the cross-section of the yarn.
