ROLLO 100287

Rollo is designed to provide a beautiful yet resilient textile surface, ideal for spaces with frequent traffic and office environments. Its dense structure is achieved with an 8 mm combination of loop and cut pile, made from Spirit wool yarn. This technique enhances the rug's subtle melange effect, adding depth and radiance. The low pile allows for smooth movement of office chairs, making ROLLO a practical choice for workplaces. Choose from 140 colours in the Spirit colour box to find the perfect shade for your space.
