DOPPIO 100157

DOPPIO is a smart and versatile hanging textile designed by Almedahls Design Studio. The two-tone fabric is reversible, with one colour on the front and another on the back. This gives a dynamic, shifting expression that responds beautifully to changing light conditions.

The textured weave has a slightly irregular surface, reminiscent of natural linen, while offering transparency and delicate light filtering. The colour palette combines bold, joyful tones with soft, neutral hues — easy to adapt to any interior setting.
