INSPIRO PIET HEIN 101851

INSPIRO offers a delicate openness that invites serenity with an organic but definite pattern that flows along the fabric. The pattern is based on the shapes of 5:6 & 4:6 Superellipse®, creating a sense of regularity. The rhythm is guided by the folding of the textile, like a creative process of endless exploration, captured in an elegant and contemporary design. The texture, pattern, and transparency of the fabric create an inspirational interplay of highlights and shadows. It evokes the unique angles of Nordic light, while the colour range reflects scenes from Nordic nature. The openness of the fabric inspires a sense of ease and connection.

The serene design brings a tranquil feeling to the surroundings, with delicate light filtering and a soft neutral colour palette that enhances the space.
