# MINGLE 102043

MINGLE is a versatile, lightweight plain weave with a soft drape and a beautifully balanced transparency. Positioned between our popular SHADE and PANORAMA II, it allows natural light to filter through while maintaining a sense of privacy. The carefully curated colour palette draws inspiration from nature, offering soft neutrals, warm earth tones, calming greens and blues, and accents of lilac and burgundy. By combining different warp and weft colours, MINGLE gains a vibrant, subtly shimmering surface that enhances its refined simplicity. Flame-retardant and semi-transparent, MINGLE has a weight of 150 g/m² and a generous 300 cm width, making it ideal for diverse interiors. Available in 30 colours, it is composed of 44% Trevira CS Eco and 56% Trevira CS.

MINGLE is part of our Acoustics-, Hygiene-, Daylight-, and Sustainability concepts, bringing both beauty and function to public spaces.
